

INSTRUCTIONS TO APPLICANT FOR VILLAGE OF GARLAND PROCEDURES FOR  
REQUESTING A VARIANCE

NOTICE TO APPLICANT FOR VARIANCES IN VILLAGE OF GARLAND NEBRASKA

Where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of adoption of the Zoning Resolution, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of such piece of property, the strict application of any enacted regulation under this act would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardships upon the owner of such property, to authorize, upon appeal relating to the property, a variance from such strict application so as to relieve such difficulties or hardships, if such relief may be granted without substantial detriment to the public good and without substantially impairing the intent and purpose of these zoning regulations, but no such variance shall be authorized unless the Board finds that:

- a. The strict application of the regulation would produce undue hardship;
- b. Such hardship is not shared generally by other properties in the same zoning district and the same vicinity;
- c. The authorization of such variance will not be of substantial detriment to adjacent property and the character of the district will not be changed by the granting of the variance; and
- d. The granting of such variance is based upon reasons of demonstrable and exceptional hardship as distinguished from variations for purposes of convenience, profit or caprice.
